Super Mario Bros. 3 (NES) -
0:11:11 - Richard Ureta - Richard Ureta

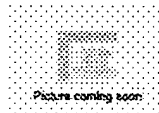

Speed run of Super Mario Bros. 3 done on July 23 2004. Available in three versions: low quality, normal quality, and 60 fps high quality. Author's comments: This is my first submission for SMB3. The time for this run is 11:15, from start button to entering the final door, which should make it the fastest legitimate run on record. This is a 20 second improvement from a previous recording that I did, which was 11:35, getting caught once by the hands on world 8...
